Dear Mr. President:

I want to thank you for your kind letter of September 24th commenting on the work of the Commission which you appointed to report on the assassination of President Kennedy.

While it was a somber duty, it was a necessary one, and I was honored to have a part in its work.

I thank you again for your confidence in appointing me to the Commission.

Sincerely,

John Sherman Cooper

The President,
The White House,
Washington, D. C.
